“This is a great spot to relax in the summer and a Fabulous one during the Christmas Holidays. They really go overboard and have a great Christmas Light show in the park. You just drive around and see all the Holiday scenes! Don't forget to make a nice donation to all those that worked hard to make it so festive!

I go to see the Winter Festival of Lights every year, last year was extra special! My fiancé proposed to me in front of the beautiful Zimmerman fountain lights! A memory that will last forever, It could not have been any more perfect! Thanks for putting up a fantastic display of lights every year, to create some warm winter memories on those cold winter nights!!!
