

## Ontario Power Generation Winter Festival of Lights – 2018/19 Testimonials

Fantastic! The best part was going around Dufferin Island where we could stop and take pics!

We attended the light festival on the last evening and really enjoyed the numerous displays along the parkway and Dufferin Islands. (5/5 ★)

The Winter Festival of Lights is one of the reasons to travel to Niagara in the middle of the winter. The display along the River is great - as usual - but Dufferin Island just south of the power plant was an extraordinary drive.

The lights displays along the waterfalls and up to the floral house and island are stunning. Simply amazing. A great walking tour or driving tour. (5/5 ★)

Very well done, a lot of effort must have gone to make this possible. Will look spectacular in the snow. Was raining on my visit.

The Festival of Lights this year is spectacular. There are so many more lights than there have been in the past. Friends, visiting from England, thoroughly enjoyed the day trip to Niagara Falls.

Beautiful as always. Was able to go after a fresh snowfall. The lights looked amazing. Dufferin Islands lights are my favourite! We go every year and would recommend it to anyone. The lights on the falls looked like the Canadian flag . Loved it 5 stars ! 🇨🇦❤️

Love the lights. Every time I go I see something new. It's grown in a myriad of ways and it's spectacular. People from the states have and friends of mine from all over have marveled at it. I love the colors by the falls park.

Just returned from a drive through Dufferin Island and along the Falls. The lights and displays are truly spectacular! We have invited friends and family from across the province to visit and enjoy the beautiful exhibits. Thank you to the many workers who put in countless hours to ensure the Festival of Lights is a success. Niagara Falls is one of the most beautiful places in the World and we have the privilege of calling it home.

Niagara Falls sure knows how to make things festive. We had a girls weekend and drove the entire light displays. The lights in the park were so magical. It is very busy so bring all your patience.
